What does 9/12 stand for ?

The 9/12 Project was founded by TV and Radio Show Host, Glenn Beck, as a way to help re-found our country. 9/12 refers to the list of 9 Principles and 12 Values.

At the origin of America, our Founding Fathers built this country on 28 powerful principles. These principles were culled from all over the world and from centuries of great thinkers. We have distilled the original 28 down to the 9 basic principles.

So, how do we show America what's really behind the curtain? Read The 9 Principles [Here](#)

If you believe in at least seven of them, then we have something in common.

What does a 9/12 group do ?

This is a non-political movement. The 9-12 Project is designed to bring us all back to the place we were on September 12, 2001. The day after America was attacked we were not obsessed with Red States, Blue States or political parties. We were united as Americans, standing together to protect the greatest nation ever created.

That same feeling – that commitment to country is what we are hoping to foster with this idea. We want to get everyone thinking like it is September 12th, 2001 again. Ask yourself these questions:

* Do you watch the direction that America is being taken in and feel powerless to stop it? * Do you believe that your voice isn't loud enough to be heard above the noise anymore? * Do you read the

headlines everyday and feel an empty pit in your stomach... as if you're completely alone?
